

Koji Chicken Tacos

NEW WORLDS OF INSPIRATION INVITE EXPLORATION.

Bring the excitement of faraway flavor to your menu with new regional Minor's® Ready-To-Use (RTU) Asian Sauces featuring Korean-Style BBQ Sauce, Pad Thai Sauce and Char Siu Chinese-Style BBQ Sauce.

NEW WORLDS OF FLAVOR AWAIT.

Discover more fuel for your culinary creativity with three new *Minor's* RTU Asian sauces, specifically crafted with authentic ingredients to bring contemporary ethnic flavors into your kitchen.

Korean Short Rib

(RTU) Korean-Style BBQ Sauce

GLOBE: 12314487
CASE UPC: 0005000014085500

Gochugaru peppers deliver just the right amount of heat to this Korean-style BBQ sauce complemented with notes of ginger, orange, sesame and garlic.

*Korean BBQ exhibited 182.8% growth in the last four years.**

(RTU) Char Siu Chinese-Style BBQ Sauce

GLOBE: 12314509
CASE UPC: 0005000044521900

5 spice (star anise, cinnamon, fennel, clove, Szechuan peppers) sets the tone for this savory BBQ sauce made with sherry wine, tomato, soy and vinegar.

Char Siu Banh Mi

*Glazing is a growing preparation method with current menu penetration at 28.8% and a 12.3% 4-year growth rate.**

Asian Grilled Steak Salad with Pad Thai Vinaigrette

(RTU) Pad Thai Sauce

GLOBE: 12314508
CASE UPC: 0005000099465600

Familiar sweet, tangy flavor comes through in a sauce that's ready to use for Pad Thai or other Thai-style dishes.

*Menu penetration of regionally specific Asian flavors is growing and shifting away from the all-encompassing Asian fusion / amalgam flavors. Pad Thai Sauce has a menu penetration of 5% and an 11.9% 4-year growth rate.**

On-trend Flavor

Created based on the growing desire for regionally-specific Asian flavors and packed with authentic ethnic ingredients.

Versatility

From Asian to fusion, add mouthwatering flavor as a condiment, glaze, finishing sauce or use as a foundation for your own creative take.

Convenience

Each sauce is ready to use and Ready to Flavor™ directly from the bottle.

Ready to Flavor™ means

According to the FDA and USDA, "Ready-to-Eat" means the food is in a form that is edible without any additional preparation to achieve food safety.
